

**§ 87-15.6. Homeowners Recovery Fund.**

(a) The Homeowners Recovery Fund is established as a special account of the Board. The Board shall administer the Fund. The purpose of the Fund is to reimburse homeowners who have suffered a reimbursable loss in constructing or altering a single-family residential dwelling unit.

(b) Whenever a general contractor applies for the issuance of a permit for the construction of any single-family residential dwelling unit or for the alteration of an existing single-family residential dwelling unit, a city or county building inspector shall collect from the general contractor a fee in the amount of ten dollars (\$10.00) for each dwelling unit to be constructed or altered under the permit. The city or county inspector shall forward nine dollars (\$9.00) of each fee collected to the Board on a quarterly basis and the city or county may retain one dollar (\$1.00) of each fee collected. The Board shall deposit the fees received into the Fund. The Board may accept donations and appropriations to the Fund. G.S. 87-7 shall not apply to the Fund.

The Board may suspend collection of this fee for any year upon a determination that the amount in the Fund is sufficient to meet likely disbursements from the Fund for that year. The Board shall notify city and county building inspectors when it suspends collection of the fee.

(c) The Board may adopt rules to implement this Article. (1991, c. 547, s. 1; 2003-372, s. 1.)
